Philippine Proposal

Pray BFF Singapore
September 17, 2018

Dear Prayer Partners,

Thank you so much for your prayers. Yesterday's sermon on forgiveness is still being discussed by the leaders here. May God's Word abide in our hearts and empower us.

My ten messages are now over and soon heading for two days in Manila. Pray for me as I make a proposal to some business leaders here in this country. I have been seeking the Lord on what kind of proposal I could make to help this country. I just finished my proposal.

The Lord really highlighted the needs of helping the pastors in the rural areas. How could you help 2,000 very poor pastors with no training but called to ministry? Only 10% in rural areas receive formal training. They have their small churches but struggle. Recently, one youth shared as a pastor's son (from another church) when telling us about his super-strict father (pastor) and how the evil one used that to greatly trouble his life. Training could have minimized that problem and many problems and false conclusions. You would be surprised how your understanding might be more

right on than many of these pastors. They are called and yet have no one to help them integrate God's Word into their lives.

I see these needs and strategize on their behalf. So, if you are still up, pray for me that God might bless these pastors around the Philippines...and the world.

I am grateful to see how God has used the messages here to help God's people.

Heading to Manila in a few hours and then back to USA on Wednesday. Christy's family went back to Raleigh area today.

Thanks again for accompanying me in this ministry to release God's truth to this new generation!

Thanks so much for your prayers!

Thanks so much for your prayers! Paul
